Finnmaster T8 Day Cruiser

Sometimes, you shouldn't have to compromise. Your boat can be sporty and comfortable all at the same time. For this reason, we left nothing out when we created the pride of the T-series – the T8. This luxurious boat combines unique driving features, our distinguished Smart Design solutions and quite simply the best materials. We have brought together decades of know-how to create an uncompromising model for those who want the best. This award-winning and versatile day cruiser lets you go from having dinner with the whole family to rapidly and easily transforming the dining area into one of the harbour's most beautiful sundecks. When the sun has finally set, the whole family can spend the night in the large cabin, which is equipped with a separate toilet unit.

This boat is equipped with the following options:

- Powered by a Yamaha F300
- Power steering
- Water skiing bracket
- Cockpit Tonneau cover
- Shore power
- Webasto Diesel Heating
- Electric windlass inc remote on bow

For Trailer options please call us as we supply Full UK road legal trailers and offer launching trailers also.

SMART DESIGN

At Finnmaster, we have designed and manufactured boats at our boatyard in Finland for more than 25 years. Over these years, we have worked hard to develop smart solutions that, for example, mean there is always somewhere for you to stow the fenders, just seconds after casting off. Nor do you need to move the cushions when you want to stow anything in the storage space. We call our concept Smart Design. It means we tailor the form to the content to make life at sea easier – whatever you use your boat for. These solutions do not only help to tie together well thought-out and practical details with smart and modern design they mean above all that the skilled captain and the curious novice can both have wonderful experiences at sea.
