Dog Gone 11 ex Tony Hamilton 41 ft offshore racing power boat with twin Lamborghini V12 engines ! Aluminium hull built in Poole.

Very low hours. Approximately 6 hours use. Entered in the Cowes - Torquay race and did pre-race trial and inspection but did not race. So in pristine as new condition. A true classic.

price euro 135,000

the pound price quoted is approximately equivalent.

Location Germany close to the border with The Netherlands (Holland)
