Manufacturer Provided Description

The characteristics of a CRANCHI Sport Boat capture your emotions right from the first glance: the pure lines, the elegant sports feel, dynamic performance and quality without compromises.

Lively, seductive and sharp, the yare boats that reveal unsuspected qualities: for example, the unexpected cabin below the bow, the countless pockets for holding objects, the sofas of the cockpit transformable in sunbeds - these are all solutions that bear witness to high design capabilities at CRANCHI, that ability to create new spaces on board.

Fans of water skiing find their ideal partner in this class of boats: lively, powerfull engines guarantee top level performances.

The handling is excellent, with reduced consumption and maintenance.
