customers, , please note,  
if you email us, from the boats and outboards adverts, please be sure to check your email address is correct (and therefore, put your telephone just in case)  
as we ALWAYS reply to all the enquiries, but if the email address is wrong, you wont get our reply and we wont know that, so it might look like we dont care, which obviously concerns us

as the emails are encrypted, it would be a good idea to put your actual email address in the body of the email, and we then can make sure it gets to you,  
we would also be very grateful if you reply to us, even if its just, ok its received !

we are often closed between christmas and the new year, and we are sometime closed for the southampton boat show week, please check out our website to be up to date

please note,  
the advertised details is correct on the date it was placed, but obviously prices will fluctuate in time, so call us, or email us, if in doubt  
some deals are limited, ie date related or just a one off product

if you are going to travel a distance to visit us, PLEASE CALL US 1st, to check the product/boat etc, is still here for sale, to avoid dissapointment  
a decent deposit secures any deal and product, and then its reserved for you (for an agreed period)  
if the product is unseen, we might agree to a 100% deposit refundable, if the goods are not as described, when you get here

brokerage  
please note if a boat is here for sale on behalf of an owner, (ie its not ours, and usually used) we operate under the terms and conditions,  
that basically means that as a broker , we are not offering any warranty (unless given, stated, or agreed) so we do invite independant accessment by a third party

this advert will be superseeding any earlier adverts, and we reserve the right to change prices and details without notice, as there may be lots of old and out of date adverts on the internet,  
so please ask for for the latest price and stock situation if in doubt, by phone or email, or visit

we sometimes have even better deals, so please call us, just in case there is anything extra special going down (stock clearance or makers or our suppliers specials)

please also call us or email us, before you travel a distance to see us or view boat or engine etc, as its might have been sold

collection here is preferred in most cases, however delivery is sometimes possible, especially if its products in boxes
