Perfect for use on small dinghies, kayaks, paddle boards, canoes, yachts, etc. Also great for any outdoor pursuit, walking, climbing, skiing.

Each cartridge projects its payload to a height of over 40 metres, burns for over 5 seconds at a minimum of 10,000 candela and is visible for at least 5 miles in daylight, increasing to 10 miles at night, depending on weather conditions.

Lightweight, compact pack containing 3 or 9 red aerial flare cartridges and a penjector firing mechanism in a tough, water resistant case. The penjector is fitted with a stainless steel spring and striker pin. It features a slot for easy loading and unloading of the flare cartridge with the trigger in the safety catch position. Operating instructions are on the case.

We also stock Inshore, Offshore and Coastal Flare Packs. And have a large well stocked Chandlery for all your boating needs.

Please call or visit us near the Canal in Exeter.
