- 1985
- 6.71 m/22 ft

****Price Reduced to £2995 (No Offers)****

What I call a big little cruiser/racer with classic lines and a good family boat. A capable sailer and could even be trailered!

The current owner has not been able to use her much and is keen to sell!

There is now an adjustment to the engine power system as a an installation of an adjustable outboard bracket to enable easier motorised passage, mounted on the transom has been completed. The new outboard engine is available as an extra to cost. This is because the inboard engine is in need of attention but this is believed a repairable situation!

She has a new Boat safety certificate dated April 2021. Mooring,, cost £564.00 is paid up to the end of this year, as is Broads toll.

A very affordable boat at this price!!

These boat details are subject to contract.

Note: Offers on the asking price may be considered.
