This Dufour 460 is the latest and newest model in the Grand Large range and so offers the highest level of performance and interior comfort. The extra width in the beam and the transom optimises the space available in cockpit and below in the salon and aft cabins. Like with all the yachts in the Dufour range the D460 sailing characteristics are defined by simple easy handling with high aspect sails and self tacking jibs to create an unrivalled performance. "Rosa" has been well cared for by her charter company and is now ready to start her new life as a family cruiser.
