This Windy 31 Zonda is a true high performance sports cruiser. Windy boats are a product of traditional Norwegian craftsmanship, enhanced with the aid of modern technology. Their sea-keeping ability is legendary thanks to an aggressive deep-v hull design. The Volvo Penta D6-400 EVC engine with about 45 engine hours will give you up to 40 knts, and thrill you to the core. She is now available for sea trials on the south coast u/k.
