- Cuddy Boats
- Poole
- 1997
- 6.4 m/21 ft

A very clean example of one of Fletcher's most popular models ever. Dry Stack stored from new and never anti-fouled she is a credit to the current owner. Original gel coat and matching upholstery in great order. The sports cruiser 19 is a great family day boat with overnight capacity in the 2 berth cabin with chemical wc. She also benefits from being fitted with freshwater sink and transom shower, cockpit table, convertible aft sunlounger plus 3.0L 135hp Mercruiser stern drive. Clean examples of this popular model are rare and this one is not to be missed.

- 3.0L Mercruiser petrol 135hp
