Owners comments

Sara is a perfect boat for couples +1 other holidays which is what use her for.

She is fast & economical I have visited the Greek islands of Rhodes,Symi,Kos &Kastileros.

I visit the numerous Turkish coves and tavernas from Bodrum to Kas usually just cruising at 18 to 22kts

If a place is full no problem Sara's so fast I just go else were.

Inexpensive to moor & maintain.

She comes out of the water & covered end of season and is now at a condition level where there

isn't any large expenses.

"Sara is much admired wherever she goes" people love this very useful little motorboat.
