Remarks :

She is a Liberty Version of a Dufour 450 Grand Large, constructed in 2014 in La Rochelle, France. The yacht is lying in Port Ginesta, Barcelona and available for sale through Network Yacht Brokers. She is coded for commercial use with the Spanish flag. Her length overall is 13.50 meters having a maximum beam of 4.35 meters. She is a fin keel yacht with quite a deep draft of 2.20 meters and the displacement is 10300 KG. The Yacht has been antifouled in June 2019.;

Typical of the Dufour range, she has a large Sprayhood and Bimini. The big Bimini offers good protection from the sun, and the roof will also make an excellent location for installing solar panels. Cockpit lockers are plentiful and include an up to date ten-person Life Raft stored in the dedicated aft locker. Onboard safety equipment also consists of ten Lifejackets.

Accommodation :

She sleeps 8 in 4 Cabins having the option of a plus two in the saloon giving a total of ten berths.

Berths 8 + 2 (Salon convert. Table) nbsp;

Jabsco Heads 2 (1 Full Bathroom + 1 separate Shower + 1 separate Toilet)

1 shower outside

2 black water holding tanks

3-burner stove and oven nbsp;

1 fridge with icebox

2 sinks

Nespresso Coffee Machine nbsp;

service August 2019.

She has a fantastic range holding 250 litres of fuel. Fuel con. 5l/h Engine hours 2250

The Freshwater tank holds 570 litres add to that the hot water tank capacity of about 45 litres and you have a total water capacity exceeding 600 litres. The hot water system is heated from either shore power or Engine cooling using a built-in heat exchanger in the Volvo engine.
