The Karnic 1851 is an amazing example of getting the maximum amount of space out of a 5.5m hull as possible, she has an abundance of seating in both the cockpit and bow areas, whilst still retaining easy access throughout, with a commanding helm position and great sea keeping ability the Karnic 1851 is a great all-round day boat.

this Karnic 1851 is with us here at our sales office in Poole and she is ready for viewing, if you require any more information please contact our sales team.
